

# 2019 COMPUTERTALK HEALTH-SYSTEM BUYERS GUIDE

The health-system market is a growth area for pharmacy technology. Make sure you are reaching this hot market. If you offer systems and services to the hospital inpatient or out-patient market, do not miss the 2019 Hospital Buyers Guide.

This annual issue targets 11,500 hospital pharmacists and IT directors who turn to technology for business solutions.

## CUSTOM CONTENT

The 2019 *ComputerTalk Health-Systems Buyers Guide* features expertise and curated technology solutions. Full-page company profiles mean decision makers understand how you provide the tools and customer support to meet the demands of this unique practice setting. We provide regular editorial support in print and online through the year.

## QUALITY REACH

Print is just the start. Your profile, along with detailed system information from our exclusive questionnaire, is posted at *ComputerTalk's* website for the year. Content is shared through social media and our eNewsletter, with 8,000+ readers. You will receive a customized PDF for sales and marketing distribution, including an optional customer interview.

**ONLY \$5,350 FOR THE YEAR.**

**CONTACT US TODAY TO DEVELOP YOUR CONTENT FOR THIS ISSUE.  
DEADLINE IS JUNE 28.**
